

Playscale Loteria Cards

Instructions:

1. Print out double-sided PDF (front and back of the paper).
2. Cut along the edges of the cards on this side of the PDF.

(The reverse side has an extra margin to allow for imperfect double-sided printing.)
 3. (Optional) Cut off a tiny portion of the corner of each sheet to round the edges.

I'd love to see any projects you make with this printable!
